

Safe Plates for Food Managers Training Program

What is Safe Plates for Food Managers?

Safe Plates is a food safety training course developed by NC State University. Certification is based on passing an ANSI-approved exam from the National Registry of Food Safety Professionals. Passing this exam satisfies the FDA Model Food Code requirement for a certified food protection manager.

Who should attend?

This is a comprehensive program for food service managers and supervisory staff in restaurants, hospitals, nursing homes, schools and other food handling establishments.

North Carolina Cooperative Extension is an equal opportunity provider.
